

Personal Information

Name: Bayan Ali Abd Ali Alkhakani.

PDB: Najaf - 1948.

Address: Baghdad / Al-Sayyidya / Al-Shabab / Haay Agnadin/ M
839/43/35

Email : bayan.a.sport@nuc.edu.iq

Nationality: Muslim

State: Married

Phone : (07903393022) - (07801242122)

Languages: Arabic

Qualifications

PhD: in Physical Education, University of Baghdad, Iraq, 1997

Master: in Physical Education, University of Pittsburgh, USA, 1982

Bachelor: in Physical Education, University of Baghdad - Iraq, 1973

Scientific Specialization

Specialization: General Specialty (Physical Education)
Training

Tests and measurement

Scientific Degree: Professor Dr. / 1999

Total years of service: (more than 35) years

Date of first appointment: 1973-1974

Scientific Responsibilities:

- 1. Member of the Council of Individual Games Department at the Faculty of Physical Education / University of Baghdad.**
- 2. Chairman of the Committee for the download of grades in the Faculty of Physical Education / University of Baghdad.**
- 3. Member of the Research Assessment Committee in the Council of the Faculty of Physical Education / University of Baghdad.**
- 4. Member of the new students tests committee to enter the Faculty of Physical Education / University of Baghdad.**
- 5. Discussing the papers and letters of graduate students since (2000) till now.**
- 6. Supervisor of many graduate students (Masters and PhD.)**
- 7. Evaluation of the research submitted for publication in the Journal of Faculty of Physical Education.**
- 8. Member of the Board of Training Department at the Faculty of Physical Education / University of Baghdad.**
- 9. Member of the Higher Studies Committee at the Faculty of Physical Education since 2002-2005.**
- 10. Dean of Faculty of Physical Education / University of Babylon since (17/4/2005) to date.**
- 11. Chairman of the Appointments and Contracts Committee at the University of Babylon / Faculty of Physical Education (2005.(**

12. Chairman of the Higher Studies Committee at the Faculty of Physical Education / University of Babylon from (2005) to date.

13. Chairman of the examination committee in the Faculty of Physical Education / University of Babylon from (2005) to date.

14. Member of the Committee of Deans of Faculties of Physical Education in Iraq from (2005) till now.

15. Member of the comprehensive examination committee at the University of Qadisiyah in 2007 (Faculty of Physical Education.(

16. Head of a seminar for students of the Master of Science (Movement Science Department) at the University of Babylon - Faculty of Physical Education.

17. Head of a seminar for PhD students (Department of Teaching Methods and Psychological Sciences) at the University of Babylon - Faculty of Physical Education.

18. Chairman of a committee to develop plans and teaching programs and development at the University of Babylon - Faculty of Physical Education.

19. Member of the Committee of Deans of Physical Education Colleges in Iraq from 2005 till now.

20. One of the experts supervising the Olympic Champion School 2009-2010 located in the closed Hall of the People

21. Member of the Curriculum Development Committee for the Scientific Departments, 19/5/2018

22. Al-Arqad Field and Field Testing Committee, 24/9/2018

23. Head of the formation of a committee to receive and interview new students admitted in the Department of Physical Education and Sports Sciences 3/10/2018.

Participation In Scientific Conferences

- 1. The First Islamic Conference, which will be held on the sidelines of the 10th Arab Sports Tournament (Algeria 2004).**
- 2. University of Baghdad Conference / Faculty of Physical Education / 2004.**
- 3. Conference of Deans of Faculties and Departments of Physical Education, held in Egypt / Helwan University (2005).**
- 4. University of Babylon / Babylon (2007).**
- 5. Conference of Faculty of Physical Education / University of Babylon (4-5 / 11/2007).**
- 6. The University of Qadisiyah University / Faculty of Physical Education (2000).**
- 7. Conference of the University of Babylon / Babil province (10/1/2008).**
- 8. Conference of Sports Innovation in Jordan for the period 16-17 / 6/2010**
- 9. The seventeenth scientific conference in the province of Salah al-Din / Tikrit for the period from 30-3 to 2-4 / 2010**

10 - First Conference of Deans and Departments of Physical Education at the University of Basra for the period from 14/11 to 18/11/2009.

11. International Scientific Conference, 9-18 / 5/2008, Malaysia

12. The 10th Annual Scientific Conference of Babel University 2006.

13- The Second Scientific Conference for Studies on the Professional Sports System held on 12/5/2008.

14- The First Scientific Conference on the Development of the Sports of Disabled Persons, 27-28 January 2008.

15 - The Second Scientific Conference of the Sciences of Training and Sports Physics at the University of Basrah on 1/12/2010

16- The Second Scientific Conference of Biomechanics at Al-Qadisiyah University, Faculty of Physical Education, 22-23 / 12/2010

17. Scientific Conference of the Faculty of Physical Education - University of Babylon (quality of physical education in the service of society) on 25-26 / 4/2011

18- The Second International Scientific Conference _ The College of Eagles University (using modern technologies as a basis for improving the reality of university education) on 5-6 / 5/2018.

Written Books

1. Fencing - Basic Principles for Students of Faculties of Physical Education with the Law of the Game / two parts 1989.

2. Fencing in the Junior and Junior Fencing Training (1990.)

3. Training and teaching the Blind for students of colleges and institutes of physical education / 2006.

4. Training Fencing Fencing for students of Faculties of Physical Education.

Publications

- 1. Studying the reality of fencing in the Faculty of Physical Education and finding ways to develop it / joint research.**
- 2. The effect of the use of sports massage in the development of elasticity of the shoulder joint for fencing players / joint research**
- 3. A comparative study of the behavior of experienced trainers with junior trainers during training in fencing / joint research.**
- 4. The relation of the length of the step to the accuracy of the correction in the motion of appeal / joint research.**
- 5. The basic determinants for the testing of youth in the sport of fencing (ages 12-14) years in Iraq.**
- 6. Determine the grades and standard levels for testing the players of national teams in Iraq.**
- 7. Effect of learning methods on the skill of the fencing movements of the students of the Faculty of Physical Education / joint research.**
- 8. A comparative study of the behavior of experienced teachers with the newcomers in the physical education lesson / joint research**
- 9. The effect of a proposed training program on the functional adaptation of the nervous system and its relation to some of the requirements of the motor performance of the fencing players / joint research.**
- 10. Indicators of individual differences in physical measurements and level of maturity in the performance of some skills / joint research.**
- 11- A proposed training course in weight for the development of muscle strength and its effect on some skills of the fencing game / joint research.**
- 12. The effect of self-suggestion in the development of the performance of some basic skills of fencing players / joint research**

13. The impact of the use of the two methods of mutual learning and training in acquiring the learning of some basic skills in the game of fencing / joint research.
14. Concern of the situation and the focus of attention and its relationship to the level of systemic disease among the rulers of volleyball in Iraq / joint research.
15. Determination of standard levels and levels of some physical and skill abilities as an indicator of the selection of football beginners / joint research.
16. A proposed observation system to analyze and evaluate some aspects of the level of performance of advanced bowlers (gun-gun) / joint research
17. Some basic determinants of selection of players in the weight lifting / joint search game
18. The effect of using tow ropes and swimming paws in developing the maximum speed of a swimming pool (50 m) free / joint research
Determination of tests of the overlap of the physical characteristics of the muscles of the arms according to the time of performance and the kinetic condition / joint research
20. Design of a rehabilitation program according to some biomechanical and physical indicators of the circular and specific motion of the shoulder joint / joint research
21. Predictive value of motor ability in terms of some personal characteristics of football players (10-12) years / joint research
22. Founding the philosophy of physical education in Iraq in the light of social understanding / joint research
23. Development of motor abilities and their impact on the performance of some basic skills for special exercises for handballs / joint research
24. The effect of continuous drop-down training technique on the development of muscular strength forms for the quadrant of special needs / joint research

25. Effect of a therapeutic approach to the injury of the Achilles tendon to players of some athletics / joint research activities
26. The basic determinants of acceptance of students of faculties and departments of physical education for the Middle Euphrates region / joint research
27. Effect of critical speed training in accordance with kinetic energy in the development of some physical, functional and mechanical variables in achieving the effectiveness of (5000 m) / joint research
28. Suggested skill exercises in the development of attention distribution among footballers aged 14-16 years

Participation In Scientific Discussions

1. Adel Fadel Ali / Some uses of expert systems in learning programs in the symbolic model / 1998.
2. Abdul-Karim Rahim Al-Marjani / Study of some basic determinants as an indicator of selection of boxing cubes (20/9/1998).
3. Nizar Mahmoud Zamayri / Effect of mental training associated with learning skills in learning some of the basic skills of the game of fencing / 3/4/1999.
4. Omar Fadel Yehia / The concept of self and its relation to the speed of the motor response in the fencing players
16 September 2000
5. Mustafa Hassan Abdel Karim / Effect of a proposed training program in the development of accuracy and speed of correction in the game of duel for the disabled / 26/9/2000.
6. Ali Salman Abdul Swailm / Study of some of the main determinants of selection of youth in the Roman wrestling / 27/6/2001
7. Nada Nabhan Ismail / A global study to determine the physical characteristics and physical measurements for the test of badminton beginners / 10/10/2001

8. Rola Mekdad Obeid / The Effect of Intensive and Distributed Training on Two Major Methods and Introduction to Learning Some Basic Skills and Offensive Movements in a Fencing Game. 12/11/2001
9. Thaer Rashid Matar / Determining the relationship between some physical measurements and physical and skill abilities as an indicator of the test of the emerging volleyball in Iraq under the age of (16) / 10/12/2001
10. Falah Mahmoud Ahmed Jameel / Study of the case of multidimensional anxiety and its relation to the actual performance of handball players / 19/12/2001
11. Ammar Daroush Rashid / Constructing and Standardizing a test for measuring the speed of the speed of handball players 20/1/2002
12. Aman Saleh Al-Khasawneh / Building and standardizing a test battery for physical and athletic abilities in tennis game / 3/2/2002
13. Asma Hikmat Fadel / Building and Standardization of a Scale of Scientific Knowledge and Its Relationship to Volleyball Performance in Volleyball (16/9/2002)
14. Esra Qahtan Jamil / Identification of some psychological features as an indicator when selecting beginners in fencing / 2002.
15. Kamel Abboud Hussein / Building a measure of the psychological endurance of the players of the first-class games arena and field in Iraq / 18/1/2003
16. Omar Mohammed Al-Khayyat / Using the World Wide Web (Internet) and its impact on learning the basic skills in tennis game 27/7/2003.
17. Sarmad Ahmed Moussa / Building a scale to evaluate the role of the trainer in the training process in the perspective of players of the first class football in Baghdad / 2003
18. Asaad Abdullah Hamad / Relation of some physical and functional variables as an indicator of the test of youth in wrestling 10/1/2004.
19. Knight Sami Yusuf / battery special test to measure the offensive skills selected vehicle basketball youth / 11/2/2004.

20. Samir Muhanna Al-Rubaie / a proposed training curriculum for the development of some arbitral abilities and their impact on the level of performance of football referees / 15/2/2004.
21. Emad Nazem Jassem / Early prediction of detecting some deviations by using some sensorimotor tests (14/2/2004)
22. Moayed Abdel Hamid Daoud / Effect of the age stage in the acquisition of motor learning and retention rate in some motor skills for children / 16/2/2004.
23. Mohammed Jassim Mohammed Hassan / Use of a proposed device to develop some mental abilities and their impact on the motor characteristics of expressive artistic performance / 17/2/2004.
24. Mohamed Kazem Khalaf Al-Rubaie / Effect of a proposed training curriculum based on energy systems in the development of some physical and functional abilities and the transfer of nervous volleyball players 29/2/2004.
25. Aqil Salman Mahdi / Using the Principle of Transfer of Learning Effect in Swimming Education.
26. Diaa Zaki Ibrahim / Effect of motor speed and flexibility of some joints on the speed and accuracy of the challenge of the gun / relationship / contribution / prediction. 10/3/2004
27. Musa Jawad Kazem / Effect of programming skills and repetition on the mechanism and accuracy of the performance of skills and plans boxing / 22/3/2004.
28. Abbas Mahdi Saleh / Design of a device to measure the response time of some of the offensive skills and their relationship to the level of technical performance of young players in the game of balls / 31/5/2004.
29. Murad Salman Al Nuaimi / practicing Roman wrestling and free exercise and its impact on some anthropometric indicators, physical structure and functional adjustment. 7/6/2004
30. Ghazi Mohamed Charter / Construction and application of a measure of mental perception of volleyball players / 3/8/2004.

31. Dhafer Ahmed Hashim / Analysis and comparison of the technical performance of the Jordanian football team participating in the Asian Nations qualifiers for the year (2000 - 2003 / 13/3/2004).
32. Daoud Salman Daoud / Effect of the use of reverse gradation method by partial method and mutual learning in acquiring some skills in volleyball / 22/11/2004.
33. Mohamed Aneesi Joy / Effect of mental perception training in learning some basic basketball skills
8/12/2004.
34. Mashreq Khalil Fathy / The Predictive Value of Some Special Physical Capacities and the Level of Skill in the Terms of Some Physical Measurements as an Index of Selected Handball Players 26/12/2004.
35. Constructing and Standardizing the Sensory Intelligence Scale - Kinetic / 16/3/2005.
36. Hassan Ali Karim / pregnancy training according to the most important physiological indicators for the development of some physical and skill qualities of football / 22/11/2005.
37. Winner Dakhil Gaddam / Some functional indicators of the quadripartite and its relation to achievement 6/2/2006
38. Ali Abdel-Hassan / Kinetic control as an indicator of the balance according to the height of the center of the body weight of the athlete / 12/4/2006.
39. Salman Akab Sarhan / building and standardizing the standard of sports leadership personality for football players applicants 30/4/2006.
40. Rafid Abdul Amir Naji / Analysis of the technical performance of the matches of the teams
- . Raed Abdel-Amir / Percentage of the contribution of physical measurements and motor abilities in the selection of Gymnastic buds aged (4-5) years / 31/5/2006.
42. Assaad Tariq Ahmad Hamdy / Effect of electronic bra in developing the response time and kinetic relationship to the compatibility of

muscles involved in the skill to challenge the weapon of the blinds / 27/6/2006.

43. Daa Jaber Mohammed / Effect of Exercise Effectiveness during the two stages of the physical biomechanical course in the education and development of a number of physical skills and physical qualities of football beginners 10/7/2006.

44. Amna Fadel Mahmoud / Contribution percentage of the most important anthropometric measurements and muscle strength level of digital achievement of players throwing and throwing in the events of athletics / 18/9/2006.

45. Osama Abdel-Moneim / Biochemical Analysis of the Effect of Some Sensory-Kinetic Exercises in Learning the Principles of Turbine and Backward Rotation of Young Adults with the Skills of Kiro-Fu on the Parallel Device (5/12/2006).

46. Ali Mohamed Yassin / Effect of attention concentration exercises in learning some basketball skills (15/1/2007).

47- Hamid Shamki Ghazi / Some psychological variables and their relation to the level of performance of the crushing blow back volleyball of applicants / 22/1/2008.

48. Maysaloon Zuhair Hussein, 22/1/2007

49. Adel Odeh Kitta / Use of alternative aids as stimulants in the development of physical and motor abilities and learning some basic motor skills / 7/2/2007.

50. Firas Ksoub, 22/1/2008

51. Haidar Falih Hassan / 6/2/2008

52. Sanaa Abdel-Amir / A model for evaluating the mental and cognitive abilities of primary students (late childhood) 10/3/2008.

53. The Order of Salah Abdul Hussein / Variety of practice for the dissemination of motor programs and the development of some basic skills in the feathers of the Cubs / 27/3/2008.

54. Maher Abdullah Salman / Effect of the macro-partial method on the basis of kinetic variables in learning and achievement of the long jump for students of the Faculty of Physical Education, 2/4/2008.
55. Ali Jassim Kareem / Effect of training some of the kinetic sentences in the development of offensive and defensive play of players Taekwondo / 30/4/2008.
56. Ayad Nour El Din Mohamed / selection on some physical and functional abilities and psychological direction and its impact on learning some basic skills basketball / 29/5/2008.
57. Hussain Abdel-Zahra / The Predictive Value of Skill Performance in terms of Motor Capabilities and Self-Esteem for Volleyball Volleyball (14-16), 11/6/2008.
58. Falah Hassan Abdullah / Effect of Anaerobic Training on the Efficiency of Some Biomedical Organizations and Biochemical Variables to Develop Tactical Endurance for Basketball Players 21/7/2008.
59. Hossam Said Karim Al-Mo'men / Effect of a training curriculum in the development of some of the motor skills, basic skills and offensive applications of the young football quiz players / 22/7/2008.
60. Fadel Abdel Fayez / Evaluation of the Synthetic Knowledge of Teaching according to Sex, Experience and Scientific Qualifications of Teachers and Teachers of Physical Education, 29/7/2008.
61. Haidar Mohammed Jassim / Chairman of the scientific committee to approve the subject of the student in (21/10/2009).
62. Abbas Mahdi Saleh / Effect of strength training joints joints working in the development of some physical characteristics and mobility and the performance of skilled players young balls / 3/12/2008.
63. Mohamed Abbas / Effect of resistance training in hormonal response and some measurements of cardiac muscle and skeletal muscles of the young basketball players 10/8/2009.
64. Noman Hadi Abd Ali / Prediction of academic achievement and its relation to teaching competencies and physical abilities and basic skills of students in 18/8/2009.

65. Hussein Menati Sagt / Chairman of a scientific committee to approve the subject of the student on 14/10/2009.
66. Salah Wahab Shaker / Analytical study and the performance of the bodies and institutions of sports and youth in Iraq from the orientation of workers from 1948 to 2004 / 19/3/2009.
67. Haidar Balash Jabr / Effect of two methods of aerobic exercises in the development of some functional and chemical indicators and electrical activity and muscular achievement in the mid-distance runners of young people on 24/2/2009.
- 68-Maher Abdel-Hamza Hardan / Effect of training program according to the analysis of individual play in improving the technical performance of young players with a feather in 24/11/2009.
- 69- Alaa Khaldoun Zidan / Effect of cooperative learning strategies in some skills for individual and team games (weightlifting - basketball) on 2/12/2008.
- 70 - Mohammed Yasser Mahdi / Effect of computer programs in learning chest handling and the stability of basketball for female students in 16/11/2008.
- 71- Mohamed Naama Hassan / Optimism and pessimism and its relationship to achieve the goals and the identity of sports and achievement in the young athletics players on 10/8/2008.
- 72 - Mohamed Hassan Abbas / personal characteristics and their relationship to the level of performance of the rulers of volleyball in Iraq on 20/7/2005.
- 73 - Saad Tayeh Abdel Fleih / the period of recovery between the frequencies according to the rate of pulse and time and impact in the speed of special and the completion of hostile 200 m for young people in 11/11/2008.
- 74-Rami Abdel-Amir / Effect of motor response speed exercises in developing the most important aspects of attention and learning the technical performance of the straight line for junior students in boxing on 9/8/2010

75- Muqdad Mohammed Jassim / Effect of training program using iron balls burdened with the development of special force and achievement for students of the Faculty of Physical Education throwing the weight in 6/9/2010

76- Haitham Hussein Abdel Hassan / Construction and implementation of an extension program for the development of social behavior and its relation to the location of discipline in the students of the Faculty of Physical Education - University of Babylon on 17/10/2010

77- Ivan Nema / Relationship of the competition effort with the most important indicators of the respiratory system and loss of fluids for the players of the sports games at the Faculty of Physical Education - Kufa University on 13/10/2010

78- Emad Dawood Saloumi / Determination of some physical measurements and physical and motor abilities and functional indicators for the selection and classification of cubs athletics events (13-15 years)

J 2/9/2010

79- Haidar Mohammed Jassim / (the model of evaluating the most important physical, motor, skill and mental abilities in light of the indicators of physical makeup (height and weight) for the selection of boxing beginners)) on 13/2/2011

80- Haitham Mohamed Kazem / (Effect of exercises for sense-motor awareness and mental relaxation in the performance of skill and individual plan for young players of football) on 21/7/2011.

.Supervising the master's and doctorate students

- 1. Muhannad Hassan Suleiman Al-Bishtawi / The Effect of a Proposed Training Program on Functional Adaptation of the Nervous System and Its Relation to Some Requirements of Motor Performance in Fencing Players.**
- 2. Majid Khada Fear Lion / A Comparative Study of the Behavior of Experienced Teachers with Beginners in the Education of Sports Education / 10/10/2001.**
- 3. Nada Riyad Mohammed Abdullah / Indicators of individual differences in physical measurements and maturity level in the performance of some skills / 20/11/2002.**
- 4. Abdel Hadi Hameed / A proposed training curriculum in weight for the development of muscle strength and its impact on some skills for the game of fencing / 9/9/2003.**
- 5. Ishraq Ghallab return / some variables of fitness and functional fitness and its relation to achievement in the game of fencing / 14/2/2004.**
- 6. Fadel Hussein stone / concern situation and focus attention and its relation to the level of organizational performance of the rulers of volleyball in Iraq / 25/3/2004.**
- 7. Asad is required to determine the standard levels and levels of some physical and skill abilities as an indicator of the selection of football beginners. 13/4/2004.**
- 8. Alaa Abdullah Falah / Effect of the use of the methods of mutual learning and training in the acquisition of learning some basic skills in the game of fencing / 3/7/2004.**
- 9. Ramad Ramadan Ahmed / Effect of self-suggestion in the development of the performance of some basic skills of fencing players / 7/8/2004.**

10. Jalil Ibrahim Hamad / Some basic determinants of the selection of players in the weightlifting game / 19/12/2004
11. Munther Ismail Al-Rawi / A note system proposed for the analysis and evaluation of some aspects of the level of the advanced bowlers (pistol-gun) 8/10/2005.
12. Hamoudi Mahmoud Ismail / The Effect of the Use of Dragging Ropes and Swimming Paws in Developing the Maximum Speed of Active Swimming 50 m Freestyle (10/11/2005)
13. Mukhtad Mohammed Jassim Al-Yasiri / Determination of tests for the overlap of the physical characteristics of the muscles of the arms according to the time of performance and the kinetic state / 16/10/2006.
14. Nabil Abdel Kadhim. Design of a rehabilitation program according to some biomechanical and physical indicators of the circular and specific quantum injuries of the shoulder joint movement (3/12/2006).
15. Hassan Ali Hussein / Predictive value of the motor ability in terms of some personal characteristics of football players (10-12) year / 30/7/2007.
16. Ismail Khalil Ibrahim / Foundations of the philosophy of physical education in Iraq in the light of social understanding / 31/7/2007.
17. Nabil Kazim Hribd / Development of motor abilities and their impact on the performance of some basic skills in special exercises for hand-wheeled balls / 4/2/2008.
18. Ahmed Malik Hamoud / 12/2/2008.
19. Rabie gesture within / 1/11/2007.
20. Aqil Hamid Odeh / The Effect of the Continuous Drop-Down Training Technique in the Development of Muscle Strength Forms for the Quadrant of Special Needs (7/7/2008).
21. Ammar Hassan Abdul Reda / Effect of a therapeutic approach for the injury of the Achilles tendon for players of some athletics activities / 20/7/2008

22. Mai Ali Aziz / The basic determinants for the acceptance of students of faculties and departments of physical education for the Middle Euphrates region / 1/9/2006.
23. Ihab Hussein Hussein / Effect of speed-sensitive training according to kinetic energy in the development of some physical, functional and mechanical variables in achieving the effectiveness of (5000 m) / 1/11/2006
24. Rafid Saad Hadi / member and supervisor of a scientific committee to approve the subject of the student in 15/3/2009.
25. Nabil Abdel Kadhim Adab (PhD student) on 5/10/2008.
26. Rafid Saad (Master Student) on 29/10/2008.
27. Haidar Abdul Ali (Master student) on 29/10/2008.
28. Evaluation of scientific researches and the number of (4) researches submitted by one of the two instructors in the Faculty of Physical Education for girls for promotion to the rank of professor on 26/11/2008.
29. Nazem Mohammed Hussein (Master student) on 2/7/2009
30. Essam Talib Abbas (Master student) on 2/7/2009
31. Zuhair Saleh unknown (PhD student) on 24/3/2010
32. Zafer Namous Khalaf (PhD student) on 7/2/2011
33. Mahdi Ali Dweiger (PhD student) on 7/2/2011

Decorations Received

1. Silver medal at the International Fencing Championship, held in Tunis in 1985.
2. Silver medalists in the 7th Fencing Championship held in Tunis in 1985.
3. Bronze medal in the 7th Fencing Championship held in Tunis in 1985.
4. Bronze Bronze Medal in the first Arab Youth Championship held in Alexandria in 1987.

- 5. Bronze medal for the sword of the sword in the first Arab Youth Championship, which was held in Alexandria in 1987.**
- 6. A gold medal for the Rifles in the Arab Clubs Championship for fencing, such as Iraq where Al-Rashid Sports Club was held in Kuwait in 1987-1988.**
- 7. Silver medal for the sword of the sword in the first Arab Youth Championship, which was held in Alexandria in 1987.**
- 8. Golden Medal in the sword weapon in the Baghdad (Saddam) International Championship, which was held in Baghdad in 1986**
- 9. Individual gold medal in the sword in the third Arab youth championship in the duel in 1990**
- 10. Golden Medal in the sword of the Arab Youth Championship, held in Alexandria in 1987.**
- 11. The Jordanian national team coach, who received a gold medal in the sword of the sword in the Arab session (the course of Hussein), which was held in Amman in 1999.**
- 12. The Jordanian national team coach, who won the silver medal in the Arab League (Al-Hussein Tournament), held in Amman in 1999.**
- 13. The Jordanian national team coach, who won the bronze medal in the Sword of Fencing for Women in the Arab Session (Al Hussein Course) held in Amman in 1999.**
- 14. Individual gold medal and sword in the sword at the Baghdad International Championship in 2001.**
- 15. Four individual medals in the sword of saber at the Baghdad International Championship in 2001.**

Thanks And Appreciation

- 1. Acknowledgments Prof. Dr. Yasin Taha Mohammed, Dean of Faculty of Physical Education, University of Mosul, 21/9/2004**
- 2. Acknowledgments Dr.Majed Ali Musa, Dean of Faculty of Physical Education, University of Basrah 13/2/2005**
- 3. Acknowledgment and appreciation. Nabil Hashem Al - Araji - President of the University of Babylon 12/4/2006**
- 4. Acknowledgment / Hassan Mahdi Hamza - President of Babylon Club 21/7/2006**
- 5. Acknowledgments / d. Jawad Kazem Al-Janabi - Assistant President of Babylon University 8/2/2007**
- 6. Acknowledgments Prof. Dr. Abdul Razzaq Abdul Jalil, President of Kufa University**
- 7. Acknowledgment / Sheikh Muhannad Mahboub - Director of Public Relations Department / Shahid Al Mihrab Foundation 17/9/2007**
- 8. Acknowledgments / d. Fadel Abdel Abbas Hussein - Dean of the Technical Institute - Kufa 24/10/2007**
- 9. Acknowledgment / Hussein Al-Hakim - General Supervisor of Shahid Al-Mihrab Foundation for Islamic Reporting 25/9/2007**
- 10. Acknowledgments Nabil Hashem Al - Araji - President of Babylon University**
- 11. Acknowledgments Nabil Hashim Araji - President of the University of Babylon 20/11/2007**
- 12.Thanks and appreciation. Emad Ahmed Abdul - Saheb Al - Zawahiri - President of the University of Qadisiyah 22/11/2007**
