

## Print version

Al-Nisour University College

Please note that participation in the institutional ranking is a prerequisite for participation in the subject rankings

1

### Institution Name and Address

Please verify/indicate both the English and native language name (in native typing) of your higher education institution (HEI).  
Please indicate also the URL and visiting address of your institution.

**English name of HEI:**

**(as to be presented in the U-Multirank web tool):** [?]

Al-Nisour University College

**Native language name of HEI:**

كلية النصور الجامعة

**Website of HEI:**

<https://nuc.edu.iq/>

**Visiting address/Street** (no post-office box):

iraq, Baghdad, Nisour Seq.

**Zip code, town:**

10001

**English city name:** [?]

baghdad

**Country where the head office of the institution is located:**

Iraq

## Contact details

Please verify/edit the name and contact data of the person who will be the contact person in your institution for all further communication.

Pre-filled are the data from the registration form or of your previous participation. Please add, if necessary, missing data.

[Please list only one email address.](#)

First name:	Ahmed
Last name:	Read
Academic Title:	Mr
Position/Unit:	IT Manager
Gender:	<input type="radio"/> Female <input checked="" type="radio"/> Male
Email-address:	info@nuc.edu.iq
Email - please verify:	info@nuc.edu.iq <a href="#">Please confirm your email address.</a>
Phone:	+9647711773683

For further communication it is helpful if you provide name and contact address of the rector and the press office at your institution. Please give the information below.

### Rector contact

**First name:** Abid

**Last name:** Jawad

**Academic Title:** Prof.

**Position/ Title (e.g. rector, president):** Dean of the College

**Gender:**

☐ Female

☒ Male

**Email-address:** dean.office@nuc.edu.iq

**Email - please verify:** dean.office@nuc.edu.iq  
**Please confirm the rector's email adress.**

### Press contact

**Full name:** Dr. Taha

**Email-address:** info@nuc.edu.iq

**Email - please verify:** info@nuc.edu.iq  
**Please confirm the press' email adress.**

For the 2022 release of U-Multirank we invite you to upload a photo (no logos) of your university which could be shown on your university page at [www.umultirank.org](http://www.umultirank.org). If you already uploaded a photo for U-Multirank 2021, you do not need to upload another photo.

Upload photo (minimum size: 1600 x 740 pixel / max. 5 MB / \*.jpg only)

**Please be aware that the upload might take some minutes.**

Photo [?]:

I confirm that U-Multirank may use this photo on its website ([www.umultirank.org](http://www.umultirank.org)).

☐ Yes

☒ No

Agreement (photo):

If this photo is copyrighted, please enter the name of the copyright holder:

This information is needed/used to prepare the bibliometric data. It will help to identify your institution properly in the databases.

**If your institution is a merger of previous institutions after 2015 please specify the names of previous institutions:**

Previous institution 1:

Previous institution 2:

Previous institution 3:

**If your institution has any affiliated institutes that should be considered for bibliometric analysis, please list them here.**

affiliated institution:

**Is your institution part of a university system? [?]**

☐ Yes

☐ No

If yes: Name of the university system:

☐ Yes

☒ No

**Does your institution include a university hospital?**

If yes, official name of the hospital:

Does the hospital fall under the university's administration or is it managed by a foundation from the university?

- ☐ University's administration
- ☐ Managed by foundation
- ☐ Neither

**If a university hospital is attached, please specify the kind of linkage.**

Do the university and the hospital share an education programme (both participate in the same programme) or research mandate?

- ☐ Yes
- ☐ No

The hospital's staff is paid by the university or holds a teaching/research position at the university (and vice versa)?

- ☐ Yes
- ☐ No

**Name of Technology Transfer Office (TTO):** [?]

**Comments on TTO:**

#### Update status

Please note that participation in the institutional ranking is mandatory if your institution wishes to participate in any of the subject rankings.

If your institution already provided institutional data for the years 2018 and 2019 you do not have to update this data. Yet we recommend to update in order to have more reliable data on three years.

#### Update of institutional data

☐ We do **not** want to update institutional data.

Please note: In this case, you won't get any invitation for the data collection concerning the institutional ranking!

If your institution participates in the institutional ranking only, you may proceed to the final page.

5

### Registration of units/departments for the subject rankings

On the following page you can register your institution for the 2022 subject rankings.

The 2022 subjects include:

**Architecture, Biology, Bioengineering, Chemical Engineering, Chemistry, Civil Engineering, Computer Science, Electrical Engineering, Environmental Engineering, Materials Engineering, Mathematics, Mechanical Engineering, Mechatronics, Physics, Production/Industrial Engineering.**

If your institution participated in the 2019 rankings of Biology, Chemical Engineering, Chemistry, Civil Engineering, Computer Science, Electrical Engineering, Environmental Engineering, Materials Engineering, Mathematics, Mechanical Engineering, Physics and Production/Industrial Engineering, the subjects and units (question 5) and degree programmes (question 6) which have been included are already pre-filled for your convenience.

**Please note: Do not list departments in any other subjects than those listed above!**

For details on the definition and delineation of the subjects, please consult our [guidelines](#).

In a first step we kindly ask you to provide the exact name(s) of the participating units by subject. In a second step (on the next page) you can register individual degree programmes per subject.

- Please refer to organisational units in your institution that are responsible for all degree programmes in a particular subject (e.g. faculties, departments, institutes). Those units will be the reference/level of data collection and ranking in U-Multirank.
- If you enter more than one unit per subject, you will receive an individual questionnaire for each unit. This means, you have to be able to provide data on staff, income, students etc. for each of those units separately. If this is not possible, please list only one unit for the subject.
- Please do not list research centers as separate units which do not run degree programmes. Their data can be submitted under a department/faculty listed.
- Please do not enter individual study programmes as units.

Subject	Name of unit/department/faculty
Computer Science	Computing Techniques Engineering
Biology	Anesthesia techniques
Biology	Medical laboratory techniques
Biology	Pharmacy Department
Biology	X-ray and ultrasound techniques

#### Auto-Comments:

**Subject Biology** - please check: You indicated more than three units for this subject. You will receive an individual questionnaire for each unit separately. Are you sure you can provide data on staff, income, students etc. for each of those units separately?

Subject	Name of unit/department/faculty
<p><b>Technical advice:</b></p> <p>Please save each newly filled-in unit by clicking (again) on the button "add unit" on the right side of each line before clicking "Save and next &gt;&gt;", otherwise the unit will not be added.</p> <p>You can delete units by clicking on the "delete unit" button.</p> <p>Please use the button "Change unit name" to correct orthographical errors or changes in the name of those units. Please do not use this button to indicate a new unit. Please use for this purpose the "add unit" button.</p> <p>Please make sure that you indicated all units/departments/faculties for the subjects you participate with in U-Multirank 2022.</p>	

### Basic information about study programmes per unit

To prepare the subject questionnaires we kindly ask you to list the study programmes which you want to include in U-Multirank. Please provide the exact name(s) of the study programmes offered by the departments/units mentioned in question 5, preferably in English.

Please list only those degree programmes of the units which belong to the respective subject of U-Multirank and which you want to have in a comparison within that subject. [?]

**Important note:** Please indicate also the kind of degree awarded and the number of students enrolled in the programme(s) in summer semester 2021 (if not available, please indicate the numbers for winter semester 2020/2021).

Please include only programmes equivalent at least to a Bachelor degree (category 6 of the **UNESCO ISCED classification**) or higher. [?]

Please click the button "add programme" to save the indicated programme before clicking "save and next".

Please list only one programme in each line.

Subject	Department	Name of programme	Kind of degree	Total Number of students in summer semester 2021
Computer Science	Computing Techniques Engineering	Communication Network	Bachelor (incl. BA honours)	411
Computer Science	Computing Techniques Engineering	Computer Engineering Philosophy	Long undivided first degree ( $\geq 5$ years)	11
Computer Science	Computing Techniques Engineering	Electronics	Bachelor (incl. BA honours)	304
Computer Science	Computing Techniques Engineering	Information Technology	Master	11
Computer Science	Computing Techniques Engineering	Nano Electronics	Master	10
Biology	Anesthesia techniques	Anesthesia	Bachelor (incl. BA honours)	459
Biology	Anesthesia techniques	Anesthesia	Master	18

Biology	Medical laboratory techniques	Clinical BioChemistry	Bachelor (incl. BA honours)	401
Biology	Medical laboratory techniques	Clinical BioChemistry	Master	16
Biology	Medical laboratory techniques	Immunity	Bachelor (incl. BA honours)	377
Biology	Pharmacy Department	pharmaceutical Chemistry	Bachelor (incl. BA honours)	117
Biology	X-ray and ultrasound techniques	Ultrasound	Bachelor (incl. BA honours)	359
Biology	X-ray and ultrasound techniques	Ultrasound	Master	12
Biology	X-ray and ultrasound techniques	X-ray	Bachelor (incl. BA honours)	202

**Technical advice:**

Please save each newly filled-in programme by clicking (again) on the button "add programme" on the right side of each line before clicking "Save and next >>", otherwise the programme will not be added.

You can delete programmes by clicking on the "delete programme" button.

If you have any questions please contact us at [info@umultirank.org](mailto:info@umultirank.org) (preferred) or +49 (0) 5241 9761 58.

Please make sure that emails from us ([info@umultirank.org](mailto:info@umultirank.org)) will not be blocked by the IT system of your university!
