

## C.V

name	Marwa moutaz ismail
Date of Birth	28/04/1986
Nationality	Iraq
Social	Married
Address	Baghdad / sede
phone	07705326169
E-mail	marwa.m.eng@nuc.edu.iq

## Certificates

Ms.c communication engineering/ University of Technology / 2012
Bs.c communication engineering / University of Technology 2008/ 2009
English certificate 2018/ computer science certificate 2018
TOEFL ITP 2010/2012
Educational qualification and Arabic language certificate at the University of Baghdad/ 2017.
The Certificate the computer and Internet (IC3) 2010

## Academic experiences

Teaching at AL-Nisour college / <b>Engineering Analysis Lab</b> / Computer Engineering Department / third class <b>since 2018 until now</b>
Teaching at AL-Nisour college / <b>Computer Programming (II) Lab</b> / Computer Engineering Department / second class <b>since 2018 until now</b>
Teaching at AL-Nisour college / <b>Computer Programming (I) Lab</b> / Computer Engineering Department / first class <b>since 2018 until now</b>
Teaching at the Iraqi University / signals and systems/ software and networks departments / third class
Teaching at the Iraqi University / <b>software engineering modeling</b> / software department / third class
Teaching at the Iraqi University in electronic and communication Labs
Teaching at the Albani college / <b>mobile communications</b> / computer techniques engineering / fourth class

Teaching at the Albani college / <b>Protocols of computer networks</b> / computer techniques engineering / fourth class
Teaching at the Albani college / <b>digital communications</b> / computer techniques engineering / third class
Teaching at the Albani college / <b>digital electronics I</b> / computer techniques engineering / first class
Teaching at the Albani College / <b>digital electronics II</b> / computer techniques engineering Computers \ second class.
Teaching at the Albani college / <b>Matlab</b> / computer techniques engineering Computers \ second class.
Teaching at the Elite University College for the first semester / <b>programming</b> / computer application / system software engineering/ computer technology and cooling and air conditioning engineering Departments.
Teaching <b>Digital signal processing</b> / computer techniques engineering / fourth class
Teaching / <b>Communication and networking</b> / computer techniques engineering / fourth class
Teaching / <b>Distributed computer system</b> / computer techniques engineering / fourth class
Teaching / <b>Industrial electronic</b> / computer techniques engineering / third class
Teaching / <b>AutoCAD</b> / computer techniques engineering / second class
received training in the Al-Mamoun Communications Center for three months as part of the study requirements And graduation at University of technology.

### Computer skills and programs

a program (Word, Power point, Excel, access) office
MATLAB
AUTOCAD
RADIO MOBILE PROGRAM
Visual basic
Cisco packet tracer
Photoshop
Internet and computer formatting.

### Conferences

Participating in the first scientific conference at Al-Rasheed College, 2017
--

Participation At the 9th International Scientific Conference at the University College of Knowledge \ 2018
--

Published a research entitled "Design and implementation university digital library by using FoxPro" at the Ninth International Scientific Conference at the University College of Knowledge \ 2018
---

Publish a research entitled "built cellular network for Baghdad city with smart antenna technique" \ 2015
---

Letter of thanks
------------------

Three letters of thanks and appreciation from Al - Albani University
--
