

# **Curriculum Vita**

## **PERSONAL DATA:**

**Name:** Dr. Eng. Jamal Kamil Kh. Abbas  
**Profession:** Electrical and Telecommunication Engineering  
**Education:** Doctor Engineer  
**Experience:** Engineering, Trading and Education (35) Years  
**Nationality:** Iraqi  
**Marital Status:** Married  
**Languages:** English, Polish, Arabic(mother tongue)  
**Address:** Iraq, Baghdad, Al-Ghadeer (Q706, St.31, Bldg.57)  
**Mobile:** +964 790 1333563  
**E-mail:** alrudaini@gmail.com.

## **PROFILE :**

1. Professional engineer in field of basic and detailed electrical engineering of Projects.
2. Professional in oil and gas projects in the field of (Cathodic protection, Oil tanks radar and Control boards design).
3. Professional in Blend learning and electronic education.

## **Professional Membership**

- 1- Member of Iraqi Engineering Union.
- 2- Member of Iraq Chamber of Commerce.
- 3- Guest member of International IEEE.

## **SUMMARY OF EXPERIENCE AND ACHIEVEMENTS :**

### **1979-1994**

Governmental engineer specialized in design, maintenance, installation and repair of electrical and electronic equipment in the field of telecommunication and multimedia.
